WHEELBASE 2765 mm

M30 GENERATION 4

Steel 3way tipper

Code	Boards	External Dimensions
M 155 022 453 - M30 B	Double wall TR30 reinforced aluminium	3800x2300 mm

Aluminium sideboards from 500 mm top opening only

Aluminium tailgate from 500 mm with double opening and automatic release

Loading deck structure in S355JR steel th. 4 mm
Steel subframe with horizontal spheres
Steel front board from 500 mm with ladder rack and perforated protection panel
Side and rear boards from 500 mm in aluminium
Front and rear pillars screwed and removable with integrated foldaway
Recessed foldway rope stretching ring (4+4)
Removable rear ladder rack
Steel spheres supports with anti-vibration PVC cap
Thermoplastic mudguards
Tool box
Homologated side guards
2 KGS powder fire extinguisher
Hydraulic system with P.T.O., safety fuse and buzzer
Chromed and galvanised multistage under floor ram, wear resistant, weather resistant and rust resistant with safety valve
Cataphoresis treatment and powder coating
Lights and tables according to regulations

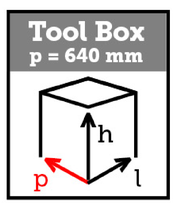

NOTE: The information and images - including the colors of the products - concerning equipment, external appearance, measurements, etc. are to be considered purely indicative and in no way binding.

TITAN reserves the right to change features, specifications, data, prices without notice. The prices indicated on the Site are in no way binding for contractual purposes and may vary according to the duration of the price list. Prices are always VAT free.
